

Bodacious Big Thread Applique, Quilting & More supply list Australian Machine Quilting Festival 2016

Susan K Cleveland, instructor and designer
www.PiecesBeWithYou.com ~ Susan.QuiltOn@gmail.com

Learn to stitch with heavy decorative threads through the machine's needle for appliqueing and quilting, to stuff applique, make prairie points with stitching and embellishments, use freezer paper for quilting designs and to design an fun-shaped quilt ... while creating a precious little piece. I'll demo hand quilting with heavy threads too!

Your choice of three patterns. Happy Daisy 9"x 11", Joy In My Heart 9"x 11", Daisy Trio 11"x 20" (Some speedy students may start to quilt in class.) 6-hour class

Sewing machines will be provided!

Kit:

- Pattern, Pre-printed DecorBond (to use in place of fusible web), Freezer paper, Wool for stuffed applique, Two spools of WonderFil Spagetti 12wt cotton in your color choice, Sewing Machine needles: \$35AUD

Fabric/thread requirements:

- background fabric: starched 11"x 13" or 13"x 22" (for 3 daisies) piece plus extra for practicing stitching
- backing fabric (back of quilt): 12"x 14" or 14"x 23" (for 3 daisies)
- Joy appliques: 8"x 10" heart fabric and 6" square for each letter
- Daisy appliques: at least 8" square for each daisy and 5" squares for centers (one or three each)

- prairie point fabrics: scraps at least 2" squares or 2" strip
- sheer fabric such as silk organza or linen gauze to place under daisies as shown in close-ups: 4" square for small, or 4"x 9" for large
- thin 100% cotton or 100% wool batting: 12"x 14" or 14"x 23" for 3 daisies (for speedy students who may start to quilt in class)
- 50 or 60wt (regular weight) cotton thread in color to coordinate with decorative threads and/or applique fabrics for bobbin (You will choose decorative threads in class. Please bring regular weight cotton to coordinate with colors you will choose.)
- 50 or 60wt (regular weight) cotton thread to coordinate with background fabric (for speedy students who may start to quilt in class)
- beads for embellishing points of prairie points (optional)

Supplies/tools:

- Prairie Pointer tool (optional)
- Rotary cutting equipment for cutting prairie points (cutter, mat, ruler...at least 14")
- Seam ripper, stiletto (optional)
- Hand sewing needle for embellishing if you wish to embellish prairie points with beads
- Fabric scissors for cutting appliques (I prefer Karen Kay Buckley's Perfect Scissors.)
- Small scissors or thread trimmers
- Fabric glue, liquid or stick (optional)

Homework (so more progress in made in class):

- Starch and press background fabric until it is crisp. This will allow decorative stitching with heavy threads without using a stabilizer. Lightly starch applique fabrics.

Supplies needed at home to finish project:

- piping: fat quarter fabric and 1/16" cording (optional, not covered in class)
- binding: fat quarter (not covered in class)
